

Year 1 Autumn Term Homework Project

Our homework project this term is based on the United Kingdom.

We would like the children to talk to their families and to think about places in England, Wales, Scotland or Northern Ireland.

Discuss:

- ❖ Have you ever been on holiday or on a day trip to somewhere in the UK? E.g. A trip to London or Peppa Pig World, A camping trip to Cornwall, A Centre Parcs holiday or a trip to Southend seafront!
- ❖ Do you have any family that lives elsewhere in the UK?
- ❖ Have you visited any UK cities and what were they like?
- ❖ Have you visited any where in the UK with beautiful or special countryside or landmarks?

Optional tasks for your project:

- Draw a picture of somewhere you have been in the UK and label it.
- Bring in a photo of your holiday or trip to talk about (we will add the photos to our UK display)
- Research the different flags of England, Wales, Scotland and Northern Ireland and make your own.
- Make or bring in a postcard from somewhere in the UK.
