We are exceptionally proud of the children's progress and attainment. **Attainment at the end of KS2 puts us in the 93rd percentile rank amongst schools nationally.**

While attainment in assessments is valuable, there is so much more to learning at Edwards Hall. Have a look at our Learning Behaviour page and our school Drivers to find out more about how we nurture so much more than academic success.

If you would like to come and find out whether Edwards Hall is right for your child, please call the office on 01702 524470 or email info@edwardshall.lihtrust.uk and one of our senior leaders will be happy to give you a tour and tell you about our ethos.
